## Author Index

### A

- Adams HE:** See **Iezzi A**  
**Agle D:** See **Shihabuddin L**  
**Aladjem AD:** See **Alfonso CA**  
**Alexander J:** See **Jenkins PL**  
**Alfonso CA, Cohen MAA, Aladjem AD, Morrison F, Powell DR, Winters RA, Orlowski BK:** HIV seropositivity as a major risk factor for suicide in the general hospital. July–August 368–373  
**Anderson DA:** See **Targ EF**  
**Andrykowski MA:** Psychiatric and psychosocial aspects of bone marrow transplantation. January–February 13–24  
**Ault L:** See **Iezzi A**

### B

- Baker B, Dorian P, Newman L, Cancelliere A:** Psychological resolution of a supraventricular tachycardia (case report). January–February 87–91  
**Baldwin K:** See **Madan-Swain A**  
**Barrett JE:** See **Oxman TE**  
**Barsky AJ:** See **Wool CA**  
**Billig N:** See **Morena G**  
**Bouckoms AJ:** *The Vulnerable Self: Confronting the Ultimate Questions*, by Weisman AD (book review). July–August 407  
**Bradley LD:** See **Roca C**  
**Brandt GT:** See **Norwood AE**  
**Brown RT:** See **Madan-Swain A**  
**Buchwald D:** See **Russo J**  
**Buckely P, Freyne A, Walshe N:** The medical-psychiatry unit: a pilot study of conjoint care within an Irish general hospital. November–December 515–519  
**Burns MM, Eisendrath SJ:** Dextroamphetamine treatment for depression in terminally ill patients (case report). January–February 80–83  
**Bystritsky A:** See **Targ EF**

### C

- Campbell J:** See **Duffy JD**  
**Cancelliere A:** See **Baker B**  
**Canning EH:** See **Steiner H**  
**Chamberlain DE:** *The Clinical Science of Electroconvulsive Therapy*, edited by Coffey CE (book review). July–August 407–408  
**Chatham-Showalter PE:** *Psychotherapy of the Brain-Injured Patient: Reclaiming the Shattered Self*, by Miller L (book review). May–June 319–320

### Christenson GA, MacKenzie TB,

- Mitchell JE:** Adult men and women with trichotillomania: a comparison of male and female characteristics. March–April 142–149  
**Clark M:** See **Russo J**  
**Cohen MAA:** See **Alfonso CA**  
**Colenda CC:** See **Smith SL**  
**Cremens MC:** *Diagnosis and Treatment of Depression in Late Life: Results from the NIH Consensus Development Conference*, edited by Schneider LS, Reynolds CF, Lebovitz B (book review). September–October 502–504

### D

- Diefenbach PN:** See **Targ EF**  
**DiMartini A, Twillman R:** Organ transplantation and paranoid schizophrenia (case report). March–April 159–161  
**Dimsdale JE:** See **Rockwell E; Pike JL**  
**Dorain P:** See **Baker B**  
**Duffy JD, Campbell J:** Bupropion for the treatment of fatigue associated with multiple sclerosis. March–April 170–171  
**Duffy JR:** See **Philbrick KL**

### E

- Eisendrath SJ:** See **Burns MM**  
**Eisenman DP, McKegney FP:** Delirium at therapeutic serum concentrations of digoxin and quinidine. January–February 91–93  
**Elks ML:** Hemolytic anemia presenting as recurrent panic in a patient with a history of panic attacks (letter). July–August 410–411; Somatization disorder by proxy (letter). November–December 586  
**Emerson J, Pankratz L, Joos S, Smith S:** Personality disorders in problematic medical patients. September–October 469–473  
**Epstein SA:** *Patient or Pretender: Inside the Strange World of Factitious Disorders*, by Feldman MD, Ford CV, Reinhold T (book review). May–June 321–322  
**Espeland MA:** See **Smith SL**  
**Everman DB, Stoudemire A:** Bipolar disorder associated with Klinefelter's syndrome and other chromosomal abnormalities (review). January–February 35–40

### F

- Fava GA:** Affective disorders and endocrine disease: new insights from psychosomatic studies (review). July–August 341–353  
**Fawzy FI:** See **Ford CV; Targ EF**  
**Feldman M:** The costs of factitious disorders (letter). September–October 506–507  
**Finestone DH, Manly DT:** Dissociation precipitated by propranolol (case report). January–February 83–86  
**Fisher MM:** See **Noyes R Jr.**  
**Flaherty J:** See **Owley T**  
**Foley T:** See **Koran LM**  
**Ford CV, Fawzy FI, Frankel BL, Noyes R Jr:** Fellowship training in consultation-liaison psychiatry: education goals and standards (review). March–April 118–124  
**Frankel BL:** See **Ford CV**  
**Freeman DH:** See **Oxman TE**  
**Freyne A:** See **Buckley P**  
**Fulop G:** See **Strain JJ**

### G

- Garrick TR, Weinstock R:** Liability of psychiatric consultants. September–October 474–484  
**George MS, Lydiard RB:** Social phobia secondary to physical disability: a review of benign essential tremor (BET) and stuttering (review). November–December 520–523  
**Ghadirian M:** See **Steiger H**  
**Gluck L:** See **Tejera CA**  
**Goldman E:** See **Tejera CA**  
**Goldman LS:** Successful treatment of interferon alpha-induced mood disorder with nortriptyline (letter). July–August 412–413  
**Gonsalves L:** See **Roca C**  
**Gonzales J:** See **Katon W**  
**Greenberg DB:** *The Psychiatric Mental Status Examination*, by Trzepacz PT, Baker RW (book review). January–February 94–95; *Dementia: A Clinical Approach, 2nd Edition*, by Cummings JL, Benson DF (book review). January–February 97; *Symptoms of Schizophrenia*, edited by Costello CG (book review). July–August 408–409; *Behavioral and Psychological Approaches to Breathing Disorders*, edited by Timmons BH, Ley R (book review). September–October 504–505; *Liver Transplan-*

# Index

*tation and the Alcoholic Patient: Medical, Surgical, and Psychosocial Issues*, by Lucey MR, Merion RM, Beresford T (book review). September–October 501–502; *Medical-Psychiatric Practice*, Vol 2, edited by Stoudemire A, Fogel BS (book review). November–December 582–583

## H

**Hall RCW**: Legal precedents affecting managed care: the physician's responsibilities to patients. March–April 105–117; Social and legal implications of managed care in psychiatry (perspective). March–April 150–158

**Hall RCW, Rundell JR, Hirsch TW**: Developing a financially viable consultation-liaison service. May–June 308–318

**Halman M**: *Therapists on the Front Line: Psychotherapy With Gay Men in the Age of AIDS*, edited by Cadwell SA, Burnham RA Jr., Forstein M (book review). November–December 583–584

**Hammer JS**: See **Strain JJ**

**Handford HA**: See **Mayes SD**

**Harper RG, Kane FJ, Stroehlein J**: Age, affective distress, and illness detection in patients evaluated for gastrointestinal complaints. March–April 125–131

**Hirsch TW**: See **Hall RCW**

**Houle L**: See **Steiger H**

## I

**Iezzi A, Stokes GS, Adams HE, Pilon RN, Ault L**: Somatothymia in chronic pain patients. September–October 460–468

## J

**Jack CR Jr**: See **Philbrick KL**

**Jenkins PL, Lester H, Alexander J, Whittaker J**: A prospective study of psychosocial morbidity in adult bone marrow transplant recipients. July–August 361–367

**Jeste DV**: See **Rockwell E**

**Joos S**: See **Emerson J**

## K

**Kane FJ**: See **Harper RG**

**Karasic DH**: See **Targ EF**

**Kathol R, Katon W, Smith GR Jr, Petty F, Trivedi M, Rush AJ**: Guidelines for the diagnosis and treatment of depression for primary care physicians: implications for consultation-liaison psychiatrists (editorial). January–February 1–12; See **Noyes R Jr**.

**Katon W, Gonzales J**: A review of randomized trials of psychiatric consultation-liaison studies in primary care. May–June 268–278; See **Kathol R; Russo J**

**Kimbrough J**: Depression following myocardial infarction, by Frasure-Smith N, Lesperance F, Talajic M (Med-Psych Update). March–April 175

**Kokmen E**: See **Philbrick KL**

**Koran LM, Foley T**: Maximizing clinical revenues of psychiatric consultation-liaison services: an economic commentary. July–August 333–340

**Krull AJ**: See **Rockwell E**

**Kunkel EJS**: *Psychological Aspects of Women's Health Care: The Interface Between Psychiatry and Obstetrics and Gynecology*, edited by Stewart DE, Stotland NL (book review). May–June 320–321

**Kunkel EJS, Zager RP, Hausman CL, Rabinowitz LG**: An interdisciplinary group for parents of children with hemangiomas. November–December 524–532

## L

**Lavin M**: See **Saravay SM**

**Lenz R**: See **Warren A**

**Lester H**: See **Jenkins PL**

**Leung F**: See **Steiger H**

**Levenson JL**: Achieving excellence in consultation-liaison research: barriers and opportunities. September–October 492–495

**Levy NB**: Psychological aspects of renal transplantation. September–October 427–433

**Litt I**: See **Steiner H**

**Lydiard RB**: See **George MS**

## M

**MacKenzie TB**: See **Christenson GA**

**Madan-Swain A, Brown RT, Sexson SB, Baldwin K, Pais R, Ragab A**: Adolescent cancer survivors: psychosocial and familial adaptation. September–October 453–459

**Mahler E**: See **Riether AM**

**Manheimer E**: See **Oxman TE**

**Manly DT**: See **Finestone DH**

**Margolis RL**: Nonpsychiatrist house staff frequently misdiagnose psychiatric disorders in general hospital inpatients. September–October 485–491

**Matthews M**: See **Ramchandani D**  
**Mayes SD, Handford HA, Szczucki D, Schaefer JH**: Blood

product use by hemophiliacs in relation to AIDS risk awareness and patient variables. July–August 354–360

**McCarty T**: See **Rosenbaum M**

**McKegney P**: See **Eisenman DP**

**Mendoza AY**: See **Rogers MP**

**Mitchell JE**: See **Christenson GA**

**Mitchell KE, Popkin MK, Trick W, Vercellotti G**: Psychiatric complications associated with ondansetron (case report). March–April 161–163

**Morena G, Sunderland B, Billig N**: Midazolam and the treatment of catatonia in major depression in an older adult (case report). July–August 392–395

**Morrison F**: See **Alfonso CA**  
**Murray G**: *Chronic Fatigue Syndrome*, by Goldstein JA (book review). November–December 583; *The Neurobehavioral Treatment of Epilepsy*, edited by Mostofsky DI, Loynning Y (book review). March–April 166

## N

**Newman L**: See **Baker B**

**Norwood AE, Brandt GT, Ursano RJ**: Pedestrian trauma patients (letter). January–February 98  
**Noyes R Jr**: See **Ford CV**  
**Noyes R Jr, Kathol RG, Fisher MM, Phillips BM, Suelzer MT, Woodman CL**: One-year follow-up of medical outpatients with hypochondriasis. November–December 533–545

## O

**O'Connell RA**: See **Wiener PK**  
**Orlowski BK**: See **Alfonso CA**

**Owley T, Flaherty J**: New-onset narcolepsy and paroxetine (letter). November–December 585

**Oxman TE, Barrett JE, Freeman DH, Manheimer E**: Frequency and correlates of adjustment disorder related to cardiac surgery in older patients. November–December 557–568

**Özbayrak KR**: Concordance: sequencing of psychiatric recommendations (letter). (Reply by Huyse FJ, Lyons JS, Strain JJ). March–April 171–172

## P

**Pais R**: See **Madan-Swain A**

## Subject Index

### A

#### **Academy of Psychosomatic Medicine, 1993 Annual Meeting**

Abstracts from the 1993 annual meetings of the Academy of Psychosomatic Medicine and the Association of Medicine and Psychiatry. March–April 173–222

APM task force on funding implications of consultation-liaison outcome studies—special series introduction: a review of outcome studies. Saravay SM, Strain JJ. May–June 227–232

APM task force on psychosocial interventions in the general hospital inpatient setting: a review of cost-offset studies. Strain JJ, Hammer JS, Fulop G. May–June 253–262

#### **Acquired Immunodeficiency Syndrome (AIDS)**

Blood product use by hemophiliacs in relation to AIDS risk awareness and patient variables. Mayes SD, Handford HA, Szczucki D, Schaefer JH. July–August 354–360

Characteristics of HIV-infected patients in an inpatient psychiatric setting. Wiener PK, Schwartz MA, O'Connell RA. January–February 59–65

HIV seropositivity as a major risk factor for suicide in the general hospital. Alfonso CA, Cohen MAA, Aladjem AD, Morrison F, Powell DR, Winters RA, Orlowski BK. July–August 368–373

Structured group therapy and fluoxetine to treat depression in HIV-positive persons. Targ EF, Karasic DH, Diefenbach PN, Anderson DA, By-

stritsky A, Fawzy FI. March–April 132–137

*Therapists on the Front Line: Psychotherapy With Gay Men in the Age of AIDS*, edited by Cadwell SA, Burnham RA Jr., Forstein M (book review). November–December 583–584

#### **Adjustment Disorder**

Frequency and correlates of adjustment disorder related to cardiac surgery in older patients. Oxman TE, Barrett JE, Freeman DH, Manheimer E. November–December 557–568

#### **Adverse Drug Reactions**

Psychiatric complications associated with ondansetron (case report). Mitchell KE, Popkin MK, Trick W, Vercellotti G. March–April 161–163

#### **Affective Disorders**

Affective disorders and endocrine disease: new insights from psychosomatic studies (review). Fava GA. July–August 341–353

Age, affective distress, and illness detection in patients evaluated for gastrointestinal complaints. Harper RG, Kane FJ, Stroehlein J. March–April 125–131

#### **Alcoholism**

*Liver Transplantation and the Alcoholic Patient: Medical, Surgical, and Psychosocial Issues*, by Lucey MR, Merion RM, Beresford T (book review). September–October 501–502

#### **Anxiety**

Factors determining the level of anxiety state in geriatric primary care patients in a community dwelling.

Smith SL, Colenda CC, Espeland MA. January–February 50–58

#### **Aphasias**

Primary progressive aphasia: an uncommon masquerader of psychiatric disorders. Philbrick KL, Rummans TA, Duffy JR, Kokmen E, Jack CR Jr. March–April 138–141

#### **Arrhythmias**

Psychological resolution of a supra-ventricular tachycardia (case report). Baker B, Dorian P, Newman L, Cancelliere A. January–February 87–91

#### **Assessment**

*The Psychiatric Mental Status Examination*, by Trzepacz PT, Baker RW (book review). January–February 94–95

#### **Association of Medicine and Psychiatry, 1993 Annual Meeting**

Abstracts from the 1993 annual meetings of the Academy of Psychosomatic Medicine and the Association of Medicine and Psychiatry. March–April 173–222

### B

#### **Benign Essential Tremor**

Social phobia secondary to physical disability: a review of benign essential tremor (BET) and stuttering (review). George MS, Lydiard RB. November–December 520–523

#### **Bipolar Disorder**

Bipolar disorder associated with Klinefelter's syndrome and other chromosomal abnormalities (review). Everman DB, Stoudemire A. January–February 35–40

#### **Bone Marrow Transplants**

A prospective study of psychosocial

- morbidity in adult bone marrow transplant recipients. Jenkins PL, Lester H, Alexander J, Whittaker J. July–August 361–367
- Psychiatric and psychosocial aspects of bone marrow transplantation. Andrykowski MA. January–February 13–24
- Brain Function**  
Development of obsessive-compulsive disorder after brain tumor surgery and radiation (case report). Rogers MP, Mendoza AY. July–August 402–406
- Brain Injury**  
*Psychotherapy of the Brain-Injured Patient: Reclaiming the Shattered Self*, by Miller L (book review). May–June 319–320
- Breathing Disorders**  
*Behavioral and Psychological Approaches to Breathing Disorders*, edited by Timmons BH, Ley R (book review). September–October 504–505
- Bulimia Nervosa**  
Eating and psychiatric symptoms as a function of axis II comorbidity in bulimic patients: three-month and six-month responses after therapy. Steiger H, Thibaudeau J, Leung F, Houle L, Ghadirian AM. January–February 41–49
- Bupropion**  
Use of bupropion for the treatment of fatigue associated with multiple sclerosis (letter). Duffy JD, Campbell J. March–April 170–171
- C**
- Cancer**  
Adolescent cancer survivors: psychosocial and familial adaptation. Madan-Swain A, Brown RT, Sexson SB, Baldwin K, Pais R, Ragab A. September–October 453–459
- Psychiatric Aspects of Symptom Management in Cancer Patients (Clinical Practice #25)*, edited by Breitbart W, Holland J (book review). March–April 165–166
- Cardiac Surgery**  
Frequency and correlates of adjustment disorder related to cardiac surgery in older patients. Oxman TE, Barrett JE, Freeman DH, Manheimer E. November–December 557–568
- Case Reports**  
Delirium at therapeutic serum concentrations of digoxin and quinidine. Eisenman DP, McKegney FP. January–February 91–93
- Development of obsessive-compulsive disorder after brain tumor surgery and radiation. Rogers MP, Mendoza AY. July–August 402–406
- Dextroamphetamine treatment for depression in terminally ill patients. Burns MM, Eisendrath SJ. January–February 80–83
- Diphenhydramine-induced delirium in elderly hospitalized patients with mild dementia. Tejera CA, Saravay SM, Goldman E, Gluck L. July–August 399–402
- Dissociation precipitated by propranolol. Finestone DH, Manly DT. January–February 83–86
- Factitious hermaphroditism. Warren A, Sutherland AJ, Lenz R. November–December 578–581
- Many faces of dementia on a neurology inpatient unit. Ramchandani D, Schindler B, Matthews M, Podell K. July–August 395–399
- Methylphenidate plasma levels in depressed patients with renal failure. Stiebel VG. September–October 498–500
- Midazolam and the treatment of catatonia in major depression in an older adult. Morena G, Sunderland B, Billig N. July–August 392–395
- Organ transplantation and paranoid schizophrenia. DiMartini A, Twillman R. March–April 159–161
- Psychiatric complications associated with ondansetron. Mitchell KE, Popkin MK, Trick W, Vercellotti G. March–April 161–163
- Psychological resolution of a supraventricular tachycardia. Baker B, Dorian P, Newman L, Cancelliere A. January–February 87–91
- Suicide in liver transplant patients. Riether AM, Mahler E. November–December 574–578
- Syncope as a conversion mechanism. Shihabuddin L, Shehadeh A, Agle D. September–October 496–498
- Catamenial Epilepsy**  
Catamenial epilepsy (letter). Roca C, Gonsalves L, Bradley LD. September–October 508
- Catatonia**  
Midazolam and the treatment of catatonia in major depression in an older adult (case report). Morena G, Sunderland B, Billig N. July–August 392–395
- Children and Adolescents**  
Adolescent cancer survivors: psychosocial and familial adaptation. Madan-Swain A, Brown RT, Sexson SB, Baldwin K, Pais R, Ragab A. September–October 453–459
- Current status of child and adolescent medical-psychiatric units. Wamboldt MZ. September–October 434–444
- An interdisciplinary group for parents of children with hemangiomas. Kunkel EJS, Zager RP, Hausman CL, Rabinowitz LG. November–December 524–532
- Chronic Fatigue Syndrome**  
*Chronic Fatigue Syndrome*, by Goldstein JA (book review). November–December 583
- Clinical Revenue**  
Maximizing clinical revenues of psychiatric consultation-liaison services: an economic commentary. Koran LM, Foley T. July–August 333–340
- Comorbidity**  
Psychiatric comorbidity and length of stay in the general hospital: a critical review of outcome studies. Saravay SM, Lavin M. May–June 233–252
- Compliance**  
Concordance: sequencing of psychiatric recommendations (letter). Ozbayrak KR. (Reply by Huyse FJ, Lyons JS, Strain JJ). March–April 171–172
- Concordance**  
Concordance: sequencing of psychiatric recommendations (letter). Ozbayrak KR. (Reply by Huyse FJ, Lyons JS, Strain JJ). March–April 171–172
- Conjoint Care**  
The medical-psychiatry unit: a pilot study of conjoint care within an Irish general hospital. Buckely P, Freyne A, Walshe N. November–December 515–519
- Consultation-Liaison Psychiatry**  
Achieving excellence in consultation-liaison research: barriers and opportunities (perspective). Levenson JL. September–October 492–495
- Developing a financially viable consultation-liaison service. Hall RCW, Rundell JR, Hirsch TW. May–June 308–318

ders: a reconsideration. Spivak H, Rodin G, Sutherland A. January–February 25–34

### Fatigue

Bupropion for the treatment of fatigue associated with multiple sclerosis (letter). Duffy JD, Campbell J. March–April 170–171

### Fellowships

Fellowship training in consultation-liaison psychiatry: education goals and standards (review). Ford CV, Fawzy FI, Frankel BL, Noyes R Jr. March–April 125–131

### Fluoxetine

Structured group therapy and fluoxetine to treat depression in HIV-positive persons. Targ EF, Karasic DH, Diefenbach PN, Anderson DA, Bystritsky A, Fawzy FI. March–April 132–137

### Funding

APM task force on funding implications of consultation-liaison outcome studies—special series introduction: a review of outcome studies. Saravay SM, Strain JJ. May–June 227–232

Developing a financially viable consultation-liaison service. Hall RCW, Rundell JR, Hirsch TW. May–June 308–318

Maximizing clinical revenues of psychiatric consultation-liaison services: an economic commentary. Koran LM, Foley T. July–August 333–340

## G

### Gastrointestinal Conditions

Age, affective distress, and illness detection in patients evaluated for gastrointestinal complaints. Harper RG, Kane FJ, Stroehlein J. March–April 125–131

### Gender Differences

Adult men and women with trichotillomania: a comparison of male and female characteristics. Christenson GA, MacKenzie TB, Mitchell JE. March–April 142–149

Do women somatize more than men? Gender differences in somatization (review). Wool CA, Barsky AJ. September–October 445–452

### General Hospital Psychiatry

APM task force on psychosocial interventions in the general hospital inpatient setting: a review of cost-offset studies. Strain JJ, Hammer JS, Fulop G. May–June 253–262

Nonpsychiatrist house staff frequently misdiagnose psychiatric disorders

in general hospital inpatients. Margolis RL. September–October 485–491

### Geriatric Psychiatry

Factors determining the level of anxiety state in geriatric primary care patients in a community dwelling. Smith SL, Colenda CC, Espeland MA. January–February 50–58

### Group Therapy

Structured group therapy and fluoxetine to treat depression in HIV-positive persons. Targ EF, Karasic DH, Diefenbach PN, Anderson DA, Bystritsky A, Fawzy FI. March–April 132–137

## H

### Hemangiomas

An interdisciplinary group for parents of children with hemangiomas. Kunkel EJS, Zager RP, Hausman CL, Rabinowitz LG. November–December 524–532

### Hemolytic Anemia

Hemolytic anemia presenting as recurrent panic in a patient with a history of panic attacks (letter). Elks ML. July–August 410–411

### Hemophilia

Blood product use by hemophiliacs in relation to AIDS risk awareness and patient variables. Mayes SD, Handford HA, Szczucki D, Schaefer JH. July–August 354–360

### Hermaphroditism

Factitious hermaphroditism (case report). Warren A, Sutherland AJ, Lenz R. November–December 578–581

### House Staff

Nonpsychiatrist house staff frequently misdiagnose psychiatric disorders in general hospital inpatients. Margolis RL. September–October 485–491

### Human Immunodeficiency Virus (HIV). See Acquired Immunodeficiency Syndrome

### Hypochondriasis

One-year follow-up of medical outpatients with hypochondriasis. Noyes R Jr., Kathol RG, Fisher MM, Phillips BM, Suelzer MT, Woodman CL. November–December 533–545

## I

### Infants. See Children and Adolescents

### Interferon Alfa

Successful treatment of interferon alfa-induced mood disorder with nortriptyline (letter). Goldman LS. July–August 412–413

## K

### Klinefelter's Syndrome

Bipolar disorder associated with Klinefelter's syndrome and other chromosomal abnormalities (review). Everman DB, Stoudemire A. January–February 35–40

## L

### Language

Primary progressive aphasia: an uncommon masquerader of psychiatric disorders. Philbrick KL, Rummans TA, Duffy JR, Kokmen E, Jack CR Jr. March–April 138–141

### Law

Legal precedents affecting managed care: the physician's responsibilities to patients. Hall RCW. March–April 105–117

Liability of psychiatric consultants. Garrick TR, Weinstock R. September–October 474–484

Social and legal implications of managed care in psychiatry (perspective). Hall RCW. March–April 150–158

### Length of Stay

Psychiatric comorbidity and length of stay in the general hospital: a critical review of outcome studies. Saravay SM, Lavin M. May–June 233–252

### Letters

Bupropion for the treatment of fatigue associated with multiple sclerosis. Duffy JD, Campbell J. March–April 170–171

A case for gradual reduction of high lithium levels. Swartz CM. July–August 411–412

Catamenial epilepsy. Roca C, Gonsalves L, Bradley LD. September–October 508

Concordance: sequencing of psychiatric recommendations. Ozbayrak KR. (Reply by Huyse FJ, Lyons JS, Strain JJ). March–April 171–172

The costs of factitious disorders. Feldman M. September–October 506–507

Hemolytic anemia presenting as recurrent panic in a patient with a history of panic attacks. Elks ML. July–August 410–411

Neuropsychological functions in renal transplant candidates. Pike JL, Dimsdale JE. March–April 167–168

New-onset narcolepsy and paroxetine. Owley T, Flaherty J. November–December 585

## Index

Nifedipine use in neuroleptic malignant syndrome. Talley BJ, Taylor SE. March–April 168–170

Pedestrian trauma patients. Norwood AE, Brandt GT, Ursano RJ. January–February 98

Somatization disorder by proxy. Elks ML. November–December 586

Successful treatment of interferon alfa-induced mood disorder with nortriptyline. Goldman LS. July–August 412–413

### Liability

Liability of psychiatric consultants. Garrick TR, Weinstock R. September–October 474–484

### Lithium

A case for gradual reduction of high lithium levels (letter). Swartz CM. July–August 411–412

### Liver Transplantation

*Liver Transplantation and the Alcoholic Patient: Medical, Surgical, and Psychosocial Issues*, by Lucey MR, Merion RM, Beresford T (book review). September–October 501–502

Psychiatric aspects of liver transplantation. Surman OS. May–June 297–307

Suicide in liver transplant patients (case report). Riether AM, Mahler E. November–December 574–578

## M

### Managed Care

Legal precedents affecting managed care: the physician's responsibilities to patients. Hall RCW. March–April 105–117

Social and legal implications of managed care in psychiatry (perspective). Hall RCW. March–April 150–158

### Medical Psychiatric Practice

*Medical-Psychiatric Practice, Vol 2*, edited by Stoudemire A, Fogel BS (book review). November–December 582–583

### Medical/Psychiatry Units

Current status of child and adolescent medical-psychiatric units. Wamboldt MZ. September–October 434–444

The medical-psychiatry unit: a pilot study of conjoint care within an Irish general hospital. Buckely P, Freyne A, Walshe N. November–December 515–519

### Mental Status Examination

*The Psychiatric Mental Status Examination*, by Trzepacz PT, Baker RW (book review). January–February 94–95

### Methylphenidate

Methylphenidate plasma levels in depressed patients with renal failure (case report). Stiebel VG. September–October 498–500

### Midazolam

Midazolam and the treatment of catatonia in major depression in an older adult (case report). Morena G, Sunderland B, Billig N. July–August 392–395

### Misdiagnosis

Nonpsychiatrist house staff frequently misdiagnose psychiatric disorders in general hospital inpatients. Margolis RL. September–October 485–491

### Mood Disorder

Successful treatment of interferon alfa-induced mood disorder with nortriptyline (letter). Goldman LS. July–August 412–413

### Multiple Sclerosis

Bupropion for the treatment of fatigue associated with multiple sclerosis (letter). Duffy JD, Campbell J. March–April 170–171

## N

### Narcolepsy

New-onset narcolepsy and paroxetine (letter). Owley T, Flaherty J. November–December 585

### National Institutes of Health

*Diagnosis and Treatment of Depression in Late Life: Results of the NIH Consensus Development Conference*, edited by Schneider LS, Reynolds CF, Lebovitz B, Friedhoff AJ (book review). September–October 504–505

### Neurobehavioral Treatment

*The Neurobehavioral Treatment of Epilepsy*, edited by Mostofsky DI, Loynning Y (book review). March–April 166

### Neuroleptic Malignant Syndrome

Nifedipine use in neuroleptic malignant syndrome (letter). Talley BJ, Taylor SE. March–April 168–170

### Neurology

Many faces of dementia on a neurology inpatient unit (case report). Ramchandani D, Schindler B, Matthews M, Podell K. July–August 395–399

### Neuropathogenesis

The neuropathogenesis of delirium: a need to focus our research (perspective). Trzepacz PT. July–August 374–391

### Neurotoxicity

A case for gradual reduction of high

lithium levels (letter). Swartz CM. July–August 411–412

### Nifedipine

Nifedipine use in neuroleptic malignant syndrome (letter). Talley BJ, Taylor SE. March–April 168–170

### Nortriptyline

Successful treatment of interferon alfa-induced mood disorder with nortriptyline (letter). Goldman LS. July–August 412–413

## O

### Obsessive-Compulsive Disorder

Development of obsessive-compulsive disorder after brain tumor surgery and radiation (case report). Rogers MP, Mendoza AY. July–August 402–406

### Obstetrics-Gynecology

*Psychological Aspects of Women's Health Care: The Interface Between Psychiatry and Obstetrics and Gynecology*, edited by Stewart DE, Stotland NL (book review). May–June 320–321

### Ondansetron

Psychiatric complications associated with ondansetron (case report). Mitchell KE, Popkin MK, Trick W, Vercellotti G. March–April 161–163

### Organic Mental Disorders

Characteristics of HIV-infected patients in an inpatient psychiatric setting. Wiener PK, Schwartz MA, O'Connell RA. January–February 59–65

### Outcome Studies, Consultation-Liaison

APM task force on funding implications of consultation-liaison outcome studies—special series introduction: a review of outcome studies. Saravay SM, Strain JJ. May–June 227–232

APM task force on psychosocial interventions in the general hospital inpatient setting: a review of cost-offset studies. Strain JJ, Hammer JS, Fulop G. May–June 253–262

The course of somatization and its effects on utilization of health care resources. Smith GR Jr. May–June 263–267; See also Erratum. September–October 513

Depression in general medical settings: implications of three health policy studies for consultation-liaison psychiatry. Wells KB. May–June 279–296
